March 26, 2012

Dear Governor Scott,

I hereby tender my resignation as County Court Judge to be effective April 16, 2012. I was elected in 1990 and have had the privelege of serving for over 21 years.

I understand that elections are constitutionally mandated when there is sufficient time to afford the electorate an opportunity to fill the vacancy and since April 16th is the commencement of the statutory qualifying period that marks the beginning of the election process; my hope is that my office can be filled by the electorate.

I wish to thank the people of Volusia County, my fellow Judges as well as the staff and clerks that have assisted me in the performance of my duties as County Court Judge.

Sincerely,

Stasin Waller

Cc: William A. Parsons, Chief Judge
